v.)	[PROPOSED] MODIFICATION OF BAIL
)	CONDITIONS
DAVID WELD,)	
)	
Defendant.)	

On May 23, 2008, this Court reinstated the bail conditions of defendant David Weld (“WELD”) that were previously set by the Court on March 4, 2008. WELD was released from custody and reported to Cornell Corrections Center in San Francisco, California. As part of the conditions of his release, WELD is not allowed to leave Cornell Corrections Center for anything except medical and legal appointments, court hearings, and classes at City College, and only with the advance approval of U.S. Pretrial Services. On June 27, 2008, the Court modified WELD’s conditions of pretrial release to include participation in drug testing and vocational training as directed by U.S. Pretrial Services.

Based upon the above-described representations and the parties’ agreement in open Court and for good cause appearing, THE COURT HEREBY ORDERS THAT:

1. The conditions of the defendant's bond be modified to include participation in substance abuse counseling/treatment and testing. In addition, the defendant may leave Cornell Corrections Center in San Francisco, California for drug testing at the direction of U.S. Pretrial Services, and shall participate in vocational training as directed by U.S. Pretrial Services.

IT IS SO ORDERED.
